All products manufactured by Murdotec, **Murdotec® 500, 1000, 2000, Dialen® MR** are free of materials of animal origin.

- complies with the EU directive 1999/82/CE
- complies with the EU directive 2001/2/CE
- complies with the EU regulation 1774/2002/CE
- complies with the EU directive EMA 410/01/Rev.3

To the best of our knowledge, we believe the above information, based on raw material supplier data, to be reliable. However, Murdotec Kunststoffe makes no guarantee of results and assumes no obligation or liability whatsoever in connection with this information. It remains the customers responsibility to assess the final suitability of the chosen plastics material for the food contact application, the customer has in mind (checking if the physical properties of the material make it suitable for the intended application, checking compliance of the finished article with the relevant migration limits, checking influence of the plastics material on odour or taste of the food, etc.)
