

## **Declaration of Manufacturer PAH** **(polycyclic aromatic hydrocarbon)**

Murdotec Kunststoffe hereby confirms to the best of their knowledge that neither during the production of raw material nor during the production of

- **Murdotec® 500**
- **Murdotec® 1000**
- **Murdotec® 2000**
- **Dialen® MR**

any polycyclic aromatic hydrocarbons (PAH) have intentionally been used nor added. Due to the used raw materials, no occurrence of any polycyclic aromatic hydrocarbons (PAH) is expected.. Therefore, this case can be excluded and no other examinations of our semi-finished products have been done.
