

## **Declaration of Manufacturer RoHS Directive 2011/65/EU, 2017/1011, 2017/2102**

We hereby confirm to the best of our knowledge that neither during the production of raw materials nor during the production of Murdotec's semi-finished products, substances like lead, cadmium, polybrominated biphenyls (PBB), polybrominated diphenyl ether (PBDE), benzyl butyl phthalate (BBP), hexabromocyclododecane (HBCDD), dibutyl phthalate (DBP), diethylhexyl phthalate (DEHP), diisobutyl phthalate (DIBP), mercury or hexavalent chromate have intentionally been added.

As the above-mentioned substances are not to be expected, Murdotec Kunststoffe does not operate any systematic tests. In examinations by external laboratories no limits of our products have been exceeded.

Previous EU Directives 2002/95, 2002/96, 2003/11, 2005/84 and 2005/717 have been replaced by directive 2011/65/EU, 2017/1011 and 2017/2102.

If any changes of data or Directives regarding RoHS should arise, we will inform you automatically.
